

TO WHOM SO EVER IT MAY CONCERN

This is to certify that M/S. SUVIK had proposed to undertake the trials of SUVIK T-AVR (PMS) Rating 2 x 7.5 KVA. We have installed the same at our Devle (Near Lonawala) telecommunication site on 05 Jul 2009.

Till date the unit is working satisfactorily and meeting all desired requirements committed by manufacturer in technical data.

We have witnessed the performance and salient features of the unit and have found to be satisfactory for telecommunication applications.

The engineering and workmanship of the unit are good.

Thanking you,

Yours faithfully,

For Aircel Limited

Date: 12 Sep 2009
